

ALPHA LIGHTING

Industrial and Commercial Lighting Specialists

Design, Installation, Maintenance

A good lighting scheme is vital to the success of any business, whether retail, office-based or industrial. For nearly 30 years, Alpha has provided a one-stop-shop service covering all aspects of lighting design, supply and installation.

Our technical team uses the latest software to ensure our designs give the optimum output and a balanced lighting solution. Lux levels and sometimes CAD images can be supplied. Our lighting schemes are flexible and can be altered to suit your requirements.

The Alpha lighting service includes:

- **Site visit and assessment of existing lighting**
- **Detailed sketches/plans, including specification list given examples of fittings and lamps/bulbs**
- **Written quotation**
- **Advice and guidance**
- **Supply and installation to agreed schedule**
- **Ongoing maintenance**
